14. Put down mouthwash bottle																			

NOTES

Types of Prompts

I = Independent (completely independent, no help needed whatsoever. Specify whether it is independent when transferred to different environments)

V = Vague Verbal (no direct reference to what has been done. Example: did you forget something?)

SV = Specific Verbal (specific reference to what has been done. Example: “now pick up the toothpaste”)

G = Gestural (using a gesture to give the client a good idea of what needs to be done. This often is accompanied by a specific verbal prompt)

M = Model (trainer completes the step/task first to demonstrate. Example: show the client how to push a button)

P = Physical (trainer does the step/task with the client using a physical prompt (e.g., gentle nudge, hand-under hand, hand-over-hand)

N = Not Applicable
